

How Can We Help You?

Jobs for Jamaica Plain can help you save money and time recruiting and hiring your entry-level workforce!

We can:

- Find qualified, entry-level job applicants from Boston. **We specialize in bilingual Spanish-English candidates.**
- Screen our participants to determine a match with your openings.
- **Work with you to organize a successful recruitment event in Jamaica Plain.** We can also suggest outreach strategies for reaching neighborhoods residents and/or bilingual Spanish-English applicants.
- Provide you with opportunities to participate in an annual job fair and other recruitment events.
- Mentor and provide support services for employees referred by us. **All of our applicants receive individualized preparation and are eligible to receive on-going post-employment assistance and career counseling.**

Who Are We?

Jobs for Jamaica Plain is a workforce program of the Jamaica Plain Neighborhood Development Corporation (JPNDC).

Our expertise is working with job seekers to assess potential obstacles to employment and to remove those barriers.

Our staff are trained professionals in the fields of job placement, retention and career planning. Staff have over 10 years of combined professional training and experience.

Which Employers Do We Work With?

The JPNDC has a long history of working with employers in a variety of fields, including healthcare, education, hospitality, security, cleaning, non-profit organizations, and the construction trades.

Some of the employers with which we have worked over the past few years include Beth Israel Deaconess Medical Center, Abbey Home Health Care, The Maids Home Services, Women's Educational and Industrial Union, Latin American Health Institute, Management Sciences for Health, Delta Airlines, Museum of Science, N-Star, and Hilton Hotels.

All of our services for employers are free of charge.

The Jamaica Plain Neighborhood Development Corporation was founded in 1977 to revitalize our Boston neighborhood as healthy, diverse and sustainable. We use three principal strategies:

- Developing high-quality **affordable housing** and helping residents gain control over their housing
- Promoting **stable families** and a **vibrant economy** through small business, employment and childcare programs as well as neighborhood-friendly commercial development
- **Bringing neighbors together** and ensuring that residents are vital participants in Jamaica Plain's future.
