

## Want a contract with the City? // ¿Quiere un contrato con la ciudad?

(En Español en letras verdes abajo)

If you want a contract with the city, you will have to submit a bid and/or an RFP (Request for Proposals), using the City's portal. If you have not filled out and submitted a bid before, know that the process could be very overwhelming.

Luckily, the City of Boston is putting together two webinars to help you learn more about the bid and RFP process. I strongly encourage you to register and attend them.

If you are a contractor: [Click here to register for Construction!](#) August 5, 3:30-5pm

For all other businesses: [Click here to register for Goods & Services!](#) July 28, 3:30-5pm
